letter from the president

Advancing a 110 year old Club is not a task that should ever be taken lightly. It takes many twists, turns, surveys, committees, and passionate Members to keep from

being stagnant or worse, declining. Our Board and Committees have worked hard again this past year to ensure that we are continuing to expand our Club experience. We cannot give one person all of the credit for our continued evolution in the effort to stay more than relevant, but continue to be one of the most desirable clubs in the city to belong to today.

The Golf Course Master Plan is the most noticeable accomplishment of 2017. I will admit the disruption was significant, but the outcome appears to be well worth the wait. The plan was masterfully executed by Chris Swim and his team, with oversight by Lance Scheele and the Golf Course Master Plan Committee comprised of Mark Werhle, Jake Jacobson, Wyck Brown, Bill Pruter and myself. Hundreds of hours of planning and day to day management resulted in a project that gave us MORE than we thought possible for the original budget. The renovation resulted in an impact on EVERY hole on our course (if you count the removed shrubs behind 3 green 😊). Thank you to all involved in the process and a huge thanks to our Membership for having the vision to allow this plan to be executed in 2017.

Meanwhile, the Facilities Committee quietly made significant changes around the Club. New pool furniture, new tile

in the entry way, new carpet installed over the winter break in the Ballroom and Men's Locker Room just to name a few projects. Under Danette Regan's leadership, we also have a more long range plan of upcoming projects that need to be accomplished. Our 10 year old building needs replacement and maintenance projects completed as well as improvements that our Members have identified as "must do's" in the near future. If not for the GCMP this year, the Facilities Committee would have been our shining star. Thanks to all that serve and thanks to Danette for her leadership.

Our Golf Committee had no easy task this year. The Golf Committee sets our tournaments and golf events every year and oversees golf programs for our Club. With a shortened season, Mike Margonie and his Committee had their work cut out for them. They were able to complete Scotch and Tradition matches before the disruption and only lost a couple of events in a very short season. Mike also worked with Ben Honoman and Lance to keep as many holes open as possible and price the experience accordingly. I appreciate the hard work that Mike, Ben, and the entire Committee put in this year.

Our Programs Committee started, what I hope is, an annual tradition, the Fundraising Gala. Steve Ferrie's Committee wanted to create an avenue for our Members to give back within our community and they accomplished just that. One evening of fun raised more than \$130,000 for the Tennyson Center for Children just up the street. A worthy cause that inspired our Committee to an over the top presentation, dinner, and auction. A special thanks to Andrea Harkins for her hard work and extra efforts organizing the auction items and many other aspects of this great event.

letter from the president

The Membership Committee was able to navigate us through a great year. Tom Piercy's group keeping us nearly full the entire year, many months with a wait list. They were key in identifying key enhancements that current and future Members are looking for today within our Club. They also were able to improve our balance sheet in the future by cleaning up our terms for initiation fees for new Members coming in, as well as increasing our initiation fee to \$52,500 starting April 1st this year. Thanks to all of you for your dedication and hard work in 2017 and beyond.

Green Committee (yes it is Green, not Greens) had an exciting year with the GCMP being executed. Under Mike Potestio and Chris Swim's leadership, they were able to create a continued projects list for future consideration. The premiere project being the completion of the rest of the bunkers on the golf course. This will be a \$130k to \$150k expense for us to consider in the future. We learned this year that professional shapers make a big difference in creating a timeless bunker. I really appreciate this team's hard work this year and the countless questions they probably answered.

Finally, our Finance Committee, led by Bill Pruter did a masterful job. They juggled the ebbs and flows of the GCMP, managed the reduced revenue because of the GCMP and created sound financial guidelines for our future. This tenured group has insured that we are investing and not just spending as we move forward. Mike Leapley is the man behind the scenes at LCC that

runs a tight ship and holds his fellow directors accountable in the day to day operation. Thanks to all that make our Club's financials sound and accurate.

2017 was a great year. It was my distinct honor to serve as our Board President. Getting to know Lance at a higher level, as well as our Board Members, will be to my long term benefit. Working with a large group of intelligent and caring people is a true blessing. Their hard work should be appreciated and I know that it is with our Membership.

2018 will be another record year for LCC. I predict record rounds of golf, record food and beverage sales, and probably a record amount of fun as our Members show off their new golf course. We are in good hands going forward with our management team and the remaining Board Members. Our incoming President, Tom Piercy, is a passionate leader that will spend the time to insure that we continue to evolve.

Thanks for the three years that Mike Potestio and Bill Pruter have served on our Board. They have been dedicated Board Members and their contributions are greatly appreciated.

So this is my final, final. Thanks to all of you that allowed me the pleasure of serving this great Club!

Respectfully submitted,

Spring golf is just around the corner! As the days begin to get longer and warmer, take advantage of any days we are able to have the golf course and practice facilities open to get the winter

rust off of your swing.

As a reminder, on days the golf course is open, gangsomes (six player maximum) are allowed until April 1st. After that date, the Professional Staff will use the amount of daily play as a guideline in determining if a gangsome may play. **Reminder: Gangsomes must take a cart unless course usage is minimal.** We would also remind the Membership that you must check in with the Golf Pro Shop prior to playing. Guest registration and signed

cart tickets ensure accurate billing, better guest relations, and a greater opportunity to provide Member service by our staff.

Please check in at all times.

2017 was a phenomenal year for the Golf Operations! One of our goals for 2018 is to again increase our number of Member rounds. We want to invite you to "stay and play" at your Club at least two more times each month this year. Your participation will not only create additional value in your Membership, but will add to the fraternal relationships you have formed with your fellow Members. Our staff is prepared to make this a wonderful golf year for you, your family, and your guests. We invite and welcome you to take advantage of your Membership

Letter from the gm

Happy New Year!

Thank you for being a part of a wonderful 2017 for Lakewood Country Club! Last year was another successful year both financially

and higher than budgeted Membership counts. Master Plan construction finished ahead of schedule and on budget. Mild temperatures in the fall resulted in more rounds of golf played from previous years, even with a partial golf course. Member events were very well attended all year, and Member Dining exceeded year over year revenues again for the 4th straight year.

The Clubhouse is being utilized more than ever, and after its 10th season since opening in 2007, the Clubhouse is starting to show its age. Over the two week closure this past January, new carpet was installed in the areas that were most worn, we painted many areas, and some kitchen repairs were completed in preparations for a busy 2018. Moving forward, the Clubhouse will require more attention as age will start to take a toll on the facilities infrastructure, HVAC, furnishings, lighting, and window treatments. Facilities Committee has completed a reserve study on the entire property, to start planning for the replacement of many items previously mentioned. The Capital Expense budget

was increased for 2018 to start the ball rolling on repairing and replacing some of these ailing items around the Club.

As we have mentioned before, there is much work yet to be done from the Turf Care division to get the course ready for play this season. To this point, the weather has been very mild and dry. Not a great start to insure the course will be ready for outstanding playing conditions come spring. Hopefully, we will see some moisture in the next few months to help the new sod blend in with the mature turf. The new holes, especially the greens, require multiple steps of preparation before players receive exceptional putting surfaces that we have come to expect at Lakewood. Weather plays such a key role allowing Turf Care to perform the necessary work.

For 2018, the Board of Directors with the recommendation from the Membership Committee increased the initiation fees beginning April 1st, to \$52,500. That's a \$10,000 increase from 2017, showing the confidence, these Committees have in the work being accomplished! It's a wonderful time to be a Member at Lakewood Country Club.

It's a pleasure to serve you as General Manager, please let me know if you have any questions or feedback.

Sincerely,

Lance Scheele
General Manager

letter from the clubhouse manager

*Let it Snow,
Let it Snow,
Let it Snow.*

Now that the new course has been renovated and is settling, we are hoping for some measurable precipitation

in the upcoming months. However, we were very thankful to have had such beautiful weather in December, which contributed to Member Dining having a record breaking December. A few of our new winter menu items have been such a success that they will remain on the upcoming new Member Dining Menu which will roll out February 1st. Please be sure to come check out some of the new items such as: Ahi Tuna Taco or the Grilled Pork Tenderloin with Prosciutto, Sage, and Butternut Squash Risotto.

Our December events brought lots of cheer to the Clubhouse. The **Family Gingerbread House Party** was a huge success this year. We offered two time slots again for this event, and we were able to purchase more gingerbread houses, therefore all reservations were accommodated. All the families who joined, had a great time decorating gingerbread houses with their child/children. With the great attendance, we are leaning towards offering a breakfast buffet as part of this event to make the process of decorating and eating with your family more seamless. For those who have attended this event in the past, please let us know your thoughts on this addition to the event.

As always, the ladies enjoyed the annual **Ladies' BINGO** and shopping

extravaganza on December 7th. With close to 218 in attendance, it is always a great event to kick off the LCC holiday season. With 2017 being the largest the attendance has been, this year there will be some modifications and we are already anticipating a wait list. We ask that all ladies call in their OWN reservations. We will NOT accept reservations made by another Member. And not to worry, we will be purchasing additional pickles and BINGO boards for this event in 2018. LCC would like to give a big thank you to Mr. Jesse Belich, Mr. Rodney Hurlbut, Mr. Jeremy Houser, Mr. Andy Buettner, and Mr. Tom Lawrence for calling BINGO at the event and adding additional entertainment.

The **Members' Holiday Celebration** on December 15th was very well received. We did things a little different this past year and opened up seating as a normal Member Dining Evening, instead of two specific seatings. This change went well, but in the future, for parties larger than 15 we will require pre-ordered entrées to expedite the flow of service for this year's event. Chef Mat and his culinary staff did a great job on the holiday prefixed menu that was offered. The Members who attended were very impressed with the service and the overall food experience that was delivered by our LCC staff and management.

All the children were very excited to meet Santa, create Christmas crafts, get their faces painted, and watch the Christmas Magic Show at the **Children's Holiday Party** on Saturday, December 16th, which had just over 200 in attendance. Having reservation time slots to meet Santa

letter from the clubhouse manager

again this year, helped tremendously in more than one aspect of the event. It not only allowed Members to know in advance when they would be having their pictures taken, but it also created a less crowded experience throughout the entire Clubhouse, and made for a more personal meet and greet with Santa for each family. We will be offering more time slots next year, and as always we will get EVERYONE in to see Santa, even if you are on the wait list.

This year at the second annual **Ugly Sweater Party** on Wednesday, December 20th, we had 21 Members participate, which was tripled from the seven from last year's event. Their photos were taken that evening and an email was then sent out to the entire Membership the following day, for everyone to vote on their favorite ugly sweater. Congratulations to the Ficco family for winning first place and Mr. Matt Koren for winning second. Thank you to all those who participated and we look forward to this event again in 2018!

In addition to the Ugly Sweater Party, this past year we included the final **Trivia Night** and we had eight teams participate. We thank everyone who attended these evenings that were offered once a month throughout the year. In addition to a grand prize winner each month, we kept track of all the teams' scores throughout the year and a huge congratulation to the O'Connor family for winning the 2017 LCC Trivia Championship.

We hope you enjoy all of the upcoming events this February and March, all the information on those can be found in this Newsletter!

As always, my door is open to any comments or concerns. Please feel free to contact me at any time.

letter from membership chair

February 1, 2018

Dear Lakewood Country Club Members,

On behalf of the rest of the Board of Directors, I would like to thank you for all of your prospective Member referrals. Currently, there are five Members on our Golf Wait List. However, our Golf Wait List Members have full use of the facilities and afternoon privileges on the golf course. **Due to its popularity, Lakewood Country Club is once again offering our "Winterfest" Introductory Golf Membership Program, which only requires an initial down payment of \$2,500 with application (normally \$5,000). As of March 1, 2018, we will no longer offer our Winterfest Introductory Golf Membership Program and return to offering our One Year Introductory Golf Membership Program, which only requires a non-refundable \$5,000 initiation fee down payment (increases to \$5,250 as of April 1, 2018).** Our new Members consistently comment about the friendliness of LCC Members and the warm atmosphere at the Club; so, please continue to welcome them with open arms to their "Home Away from Home."

Resident Membership Classification Increases to \$52,500, Effective April 1, 2018

- Resident Initiation Fee is \$42,500
- No Surcharge for the Two Year Payment Plan
- **\$2,500 Initiation Fee Discount for Waiving the Introductory Golf Membership Program for the Full Pay or Two Year Payment Plan**

- All the Benefits of Full Membership with the Exception of Voting Privileges (voting privileges commence upon payment of final initiation fee installment)

- **\$2,500 Balance is not Due Until March of 2018**
- **Only Pay ½ Dues and Full House Fee Until the Earlier of Seven Months or May 1, 2018 (\$237.50 and \$150, respectively)**
- Enjoy an Additional 12 Months of Membership from April 1, 2018 thru March 31, 2019
- All the Benefits of Full Membership with the Exception of Voting Privileges (voting privileges commence upon payment of final initiation fee installment)
- **Lock-in to \$42,500 Resident Initiation Fee and Payment Plans**
- Please Note: This is a One-time Offer per Prospective Member

If a Golf Wait List is in existence and a new Member elects to bypass the Winterfest Introductory Golf Membership, and selects the full pay or two year payment plan, they will be moved to the top of the Golf Wait List. Existing Golf Wait List Members will be offered the opportunity to maintain their position if they choose to bypass the Winterfest Introductory Golf Membership and select the full pay or two year payment plan.

If the Winterfest Members are on a Golf Wait List as of March 2018, they will still be billed their \$2,500 initiation fee deposit balance on their March 2018 statement. Additionally, they will begin their One Year Introductory Golf Membership when they are moved off the Golf Wait List.

Legacy Memberships (30% discount off of the Resident Initiation Fee) Increases to \$36,750 or \$31,500, Effective April 1, 2018
