Spring golf is just around the corner! As the days begin to get longer and warmer, take advantage of any days we are able to have the golf course and practice facilities open to get the winter rust off of your swing.

As a reminder, on days the golf course is open, gangsomes (six player maximum) are allowed until April 1st. After that date, the Golf Professional staff will use the amount of daily play as a guideline in determining if a gangsome may play. **Reminder: Gangsomes must take a cart unless course usage is minimal.** We would also remind the Membership that you **must** check in with the Golf Pro Shop prior to playing. Guest registration and signed cart tickets ensure accurate billing, better guest

relations, and a greater opportunity to provide Member service by our staff. **Please check in at all times.**

2019 was a phenomenal year for Golf Operations! One of our goals for 2020 is to again increase our number of Member rounds. We want to invite you to "stay and play" at your Club at least two more times each month this year. Your participation will not only create additional value in your Membership, but will add to the fraternal relationships you have formed with your fellow Members. Our staff is prepared to make this a wonderful golf year for you, your family, and your guests. We invite and welcome you to take advantage of your Membership.

Again, we would like to communicate our pricing strategies to ensure you receive the best prices on merchandise. **Members receive at least 20% off the retail price on all soft good purchases and 25% off all hard good purchases.** Our philosophy is always to meet or beat any competitors' advertised price. We need your support to maintain the quality of merchandise in your Golf Pro Shop. You cannot buy products cheaper, anywhere! If we don't have what you want/need, please let us know and we will try to special order.

## letter from the clubhouse manager

With the holidays and Club closure behind us, we are looking forward to a fun filled new decade.

During the Club closure, other than routine cleaning and repair projects,

the banquet portion of the kitchen floor was resurfaced and cleaned. This is a project that has been split into two parts, the front portion of the kitchen will be resurfaced in January 2021. This project was completed to meet health code requirements and repair major deterioration of the current flooring.

Going into 2020, the Food and Beverage Department's focus is to provide a dining experience that will exceed the Club's past expectations. Executive Chef Mat will be taking a proactive role in redesigning and reinvigorating the menu to tie into the wants, needs, and desires of the Membership. He is able to make this his main focus now that we have Kevin Chavez, our full-time banquet chef, who has been with us for close to a year. In addition to the new emphasis on Member Dining food, we are implementing an infrared steak broiler to accommodate the request for a more consistent steak experience overall. The Food and Beverage Department's management staff will be focusing on training and providing more guidance for the staff in order to maintain a level of service going forward that the Membership has requested.

**Just a reminder to join us on the following nights:**

**Tuesday** – Fried Chicken Night (Homemade buttermilk fried chicken served with mashed potatoes,

sautéed spinach, carrots, and fresh jalapeño corn bread.)

**Wednesday** – Cellar Night (50% off bottles of wine and 25% of our reserve selection.)

**Thursday** – Prime Rib Night (12 oz. prime rib served with au jus, a baked potato, and vegetable du jour.)

**Sunday** – Burger Night (Two featured specialty burgers created by our culinary staff, in addition to the Member Dining Menu and Dinner Features.)

Our December events brought lots of cheer to the Clubhouse. As always, the ladies enjoyed the annual **Ladies' BINGO** and shopping extravaganza on December 5th. With 217 in attendance, it is always a great event to kick off the LCC holiday season. The flow of this year's event ran smoothly, one change that was made this year that was a huge help was the staff selling the BINGO cards at the start of the event versus right before the start of the BINGO game. LCC would like to give a big thank you to Mr. Ferrie, Mr. Houser, Mr. Buettner, Mr. Howe, Mr. Ficco Jr., Mr. Young, Mr. Shanley, and Mr. and Mrs. Belich for helping with BINGO and adding additional entertainment. This event has become overwhelmingly popular, as we went on a waiting list on the same day that reservations opened, however we were able to accommodate most of the waiting list reservations. Due to the popular demand of this event, the Programs Committee has decided to limit the number of guests Members can bring for the 2020 Ladies' BINGO event, in order to reduce the number of Members on the waiting list. Each Member will be allowed to bring up to five guests, and if the event isn't full a week from the event, then the Members may bring more guests. **The Family Gingerbread House Party & Brunch** on December 8th was a huge success this year with over 160

## letter from the clubhouse manager

Members and children in attendance. All the Members who joined us had a great time decorating gingerbread houses with their child/children. The **Members' Holiday Celebration** on December 13th was very well received. Chef Mat and his culinary staff did a wonderful job on the holiday prefixed menu that was offered. The Members who attended were very impressed with the service and the overall food experience that was delivered by our LCC staff and management. A change that will be made for this event next year is having it the following week after the **Children's Holiday Party** to break up the Christmas festivities. All the children were very excited to meet Santa, create Christmas crafts, get their faces painted, and watch the Christmas Magic Show at the Children's Holiday Party on Saturday, December 14th, which had just over 300 in attendance. This year at the third annual **Ugly Sweater Party** on Wednesday, December 18th, we

had 17 Members and staff participate. Their photos were taken that evening and an email was then sent out to the entire Membership the following day, for everyone to vote on their favorite ugly sweater. Congratulations to Mr. Baroway for winning first place and Mr. and Mrs. Cruger for winning second. Thank you to all those who participated!

We hope you enjoy all of the upcoming events this February and March, all the information on those can be found in this Newsletter!

**As always, my door is open to any comments or concerns. Please feel free to contact me at any time.**

Disney presents a musical that brings the much-loved 1994 animated film to life to breath-taking effects, spirit and power, inviting you to explore the African Serengeti and join the wide eyed cub Simba on the adventure of a lifetime as he grows up and accepts his destiny as the King of the Pride Lands. In addition to the beloved songs penned by Sir Elton John and Tim Rice (such as the soaring 'Circle of Life'), this phenomenal adaptation has new original songs and explodes with joyous, captivating music that soundtrack the rich mythology and moving drama expertly. Since opening on Broadway in 1998, The Lion King has smashed records, evolving into the highest grossing show, playing to date, 6,700 performances and mounting new ones worldwide. The success is well deserved as the musical is a visually stunning affair, creating a realistic and thrilling landscape, with actors dressed as the wild animals and encompassing their characters in a spectacular, goose bump-giving performance that keeps audiences coming back time and again. Whether you want to see the spectacle for yourself for the first time, or are a returning visitor, you can be sure that this is a musical that the whole family can enjoy!

### 2020 the start of a new decade.

As we close the book on 2019 and put the decade behind us; Lakewood Country Club has seen some tremendous

growth and change. Many if not all the changes we have accomplished over the last decade, I feel have a direct impact on our current success and will gain momentum for future years. Needless to say the growth of Denver, as well as the redevelopment of the Highlands and Sloans Lake, have greatly impacted our success.

The golf course has seen some significant changes over the last seven to 10 years. Starting with fairway bunker additions by Gil Hanse on holes #8, #11, and #16. Next, completing the #18 blue tee and retention pond configuration, removing the old failing dam and wooden cart path, and constructing the overflow waterfall, as well as, a remodeled pump house. We renovated #7 tee, along with replacing a failing retaining wall securing that tee complex. Two years ago, Gil Hanse renovated six green complexes, reclaimed two greens back to original size, and reworked several fairway and greenside bunkers. This past year we refurbished the snack bar to match the pump house on #18 green.

Fitness and pool facilities have seen major upgrades as well over the last five years. Three years ago, we replaced all the fitness equipment with new state of the art cardio and free weight systems, new carpet, and fresh paint. A pool bar was built, new playground equipment along with a shade

structure, all new pool furniture, new umbrellas, the kitchen was renovated to provide more menu selections, and the addition of three cabanas.

Because the Clubhouse was recently completed in 2007, there have only been maintenance upkeep items completed over the last seven to 10 years. Items such as carpet, tile, paint, window treatments, and some furnishings have been updated. A few storage items have been added, such as a storeroom under the stairwell of the main staircase leading up to the Men's Locker Room, and we moved the Assistant Pro's office into a smaller room, to provide larger storage of merchandise for the Golf Pro Shop into where the Assistant Pro's used to sit.

Membership numbers have grown since the early 2010's. We have been at our cap of 450 Golf Members with a waiting list for almost two years now. Social Membership numbers have increased on average by five to 10 a year with lower turnover for both Membership categories. The average age of many new Members is becoming younger, with more young families joining the Club.

As we move into 2020, we need to continue to revitalize the Club to accommodate the higher Membership numbers, the younger families, and the increased demands for a better product. The first project we want to complete in 2020 will be the enclosure of the Sunset Patio for year-round casual dining. This project will be completed with funding through an assessment, which will be voted on at the Annual Meeting, February 18, 2020. If the assessment passes, we would like to break ground on the project immediately following the golf season.

On the next page is a rendering of what we hope to accomplish in 2020.

This picture is from the Pike's Peak bar looking out to the enclosed Sunset Patio. This space will be enclosed by large glass sliding doors allowing us to open the doors on nice summer days, closing the doors and heating the space on colder days throughout the entire winter season for year-round dining. French doors open the space to the Pike's Peak Lounge offering inclusivity of the social environment provided by the bar itself. New furnishings and carpet for the lounge, dining room, and patios will be included in the assessment raised to complete the project.

Another project on the horizon for 2020 is the completion of 15 fairway bunkers, addition of two greenside bunkers, and the reclamation of #9 green back to original size. Gil Hanse and his team are scheduled to return late September or early October to complete a four to six-week process of refurbishing and adding bunkers, as well as, the work on #9 green.

Future Boards, Long Range Planning Committee, along with other Committees are working to continually

increase the products and services at Lakewood Country Club. Our golf course is at the heart of our business, we will continue to maintain our premium conditions and look for ways we can increase the potential of our golf course year over year. With the Clubhouse going into its 13th season, it is in need of some re-tooling to provide our Membership with the amenities they are requesting and provide services that other clubs in the area are offering.

Our future looks bright, I look forward to continually enhancing the products

and services we as the Management team can provide the Membership. It's a great time to be a Member of Lakewood Country Club!!

Happy New Year and I will see you all soon. Please don't hesitate to contact me if you have any questions, concerns, or ideas – I am here to serve you!

Sincerely,
